M a d r a s.

Sir,

Sub:- Elections - New constitution - M.L.C. graduates
constituency preparation of fresh rolls - collection
of parti-culars regarding ward No. and etc. --
Instructions - solicited.

Ref: Bellary Tahsildar's Rc.No.3130/51 dated 6.10.51.

The Tahsildar Bellary has brought to my notice that some voters in the graduates constituency of M.L.C. in the Bellary Municipality have failed to furnish their residential addresses in their applications for enrolment as voters in the graduates' constituency. He has also reported that it is not possible for him to gather the correct address of each such voter. There are about 300 graduates in the Bellary Municipal area who are qualified for enrolment as Electors in the graduates constituency. Most of them are members of the local Bar Association. The President of the Bar Association has not also furnished the correct addresses of the several members, inspite of repeated references from the Tahsildar Bellary. The Heads of several institutions and offices in Bellary Municipality have also failed to furnish the residential addresses (Ward No. and Door No.) of the graduates working under them.

In the above circumstances I request to be informed whether it is necessary to gather these particulars (Ward No. and Door No.) when the electors have failed to furnish them.

For Collector.
